Swimming pool. (vast ^{open} water)	Drowning choking Getting too cold. Bacteria / Algae in water	Always supervised under 5s only allowed in with an adult. swimming aids used if needed. Pool is heated / filtered / treated with chemicals. Covered when not in use.	1	4	4	To enclose the pool with a fence so children cannot get to pool unless opened by an adult.	No change but VERY VERY unlikely anything could happen.			
			1	3	3	5th July 08. Put up a picket fence around pool (perminant fixture) with gate + Paddock on. Children can get nowhere near pool.
